Shoot for two, Mike!

Cheerleaders make way for the Ref.

And the fight is on!

The 8th grade basketball team had a record of 2-9. But their coach Mr. Maxwell says their record does not reflect how much talent their is on the team. He goes on to say that on the 8th grade level fundamentals are the most important thing. He is sure that someday they will provide a very fine varsity team. In the tournaments they won the first game against St. Charles and lost their last two. In the game against St. Charles three of their best players were on the bench. We would like to congratulate them for a very fine effort.

Our cheerleaders are posing pretty.
